

A Common Enemy

July 2018

00:00

it's who we love and at a time when we

00:04

have never seemed more divided a common

00:06

enemy is killing our loved ones it

00:10

doesn't care about our differences or

00:11

disagreements about red states blue

00:14

states black lives or white privilege

00:17

it's a threat to each and every child it

00:20

is addiction but if we commit the time

00:23

the talent and the money we can protect

00:27

our kids

00:29

prevention worked for measles malaria

00:31

and polio prevention work to shrink our

00:34

smoking habit prevention works life can

00:38

be painful for our kids especially in

00:40

these times but we can teach them

00:42

resilience and how to make healthy

00:44

choices when we act early we can prevent

00:47

addiction support prevention efforts in

00:49

your school and community start the

00:51

conversation talking to your kids about

00:53

drugs isn't easy but we can help
