FOREIGN NATIONAL RELATIVES OR ASSOCIATES STATEMENT

This information is required regardless of whether your foreign national relatives or associates reside in the United States or a foreign country. Do not include foreign-born relatives or associates who are United States citizens. Once a foreign-born individual acquires United States citizenship, the individual is no longer considered a foreign national.

Please describe the nature, frequency, and degree of your contact with the foreign national relatives or associates you listed on your standard security questionnaire. (Attach a separate sheet of paper with your name at the top if you require additional space.)
