

DEA Take Back Day October 2018

October 2018

- [Woman] If you don't dispose of the unused or expired prescription drugs in your home, they might find a new one.

They could end up misplaced,

stolen,

or simply misused.

Whatever the case, don't be the dealer.

Keep them safe, clean them out, take them back.

To find a collection site please visit, DEATakeBack.com.

DEA Take Back Day - Saturday, October 27th.
