

DEA PHILADELPHIA
AND
CADCA
PRESENT:

FREE CAPACITY BUILDING TRAINING

Training Description

CADCA's Capacity Building training is designed to provide local substance misuse prevention coalitions and other identified key stakeholders with a rigorous, customized training experience to improve their capacity and effectiveness to address the substance misuse issues in their local communities.

Focus will be placed on providing information, tools, skills, and processes necessary for coalitions and other stakeholders to produce key products or guiding documents essential to the work of a successful community action plan.

Date and Time:

March 26-27, 2024
9:30AM-12:00PM EST
Virtual
