

# Philadelphia Field Division Community Outreach

## OPERATION ENGAGE STAKEHOLDER MEETING YOU'RE INVITED!

The DEA Philadelphia Field Division's Community Outreach Program continues its impactful collaboration with partners in Pennsylvania and Delaware. These partnerships are the foundation of our success, and we're excited to broaden our collective efforts for a positive impact on youth and communities.

Join us virtually on February 22, 2024, at 10:30 am for our Stakeholder Meeting.

This meeting is a valuable opportunity to identify additional resources, services, and training possibilities. Most importantly, it's a chance for everyone to share ideas. If you would like to attend, please click the link below. If for some reason you are unable to attend, feel free to forward to a team member, and please invite anyone who can contribute to our mission and success.
