County Superintendent of Schools

An Earlier and Broader Approach to Building Youth Resilience

November 16, 2026 • 9:30–11:00 a.m.

Virtual on Zoom

Join us at the final session in our four-part workshop series designed to strengthen protective factors that reduce the risk of youth substance use and promote early drug prevention .

Presenter:
Cori Hammond, MPH
Partnership to End Addiction

Who Should Attend:
Educators and School Leaders
Community-Based Organizations
Prevention and Intervention Specialists
Parents and Caregivers

- Why early prevention is so important
- What it means to build resilience in youth
- Four building blocks of resilience: mental health, physical health, strong family bonds, school & community connection
- Practical skills to teach caregivers and other adults who work with young people
