

SECURITY REQUIREMENTS FOR NON-SENSITIVE POSITIONS ESCORTED ACCESS—
U. S. CITIZENSHIP REQUIRED

DEA's personnel, information, and facility security requirements for contracts, task orders, delivery orders, purchase orders, blanket purchase agreements, reimbursable agreements, and other types of contractual arrangements (hereafter referred to as "contract" and "Contractor") to provide goods and services to DEA are hereby provided for the subject access level. The forms listed in Section V are available at <http://www.dea.gov>. Click on Acquisitions & Contracts and go to Security Forms.

I. GENERAL

A. Contractor's Security Officer

1. The Contractor shall establish and maintain a security program to ensure that all requirements set forth in this provision are accomplished efficiently and effectively. The Contractor's time and expenses for recruiting, interviewing, and security screening are considered overhead and may not be billed directly to DEA.

2. The Contractor shall designate a Security Officer, and an Alternate Security Officer in case of the primary Security Officer's absence, with the authority and responsibility to perform personnel security screening to the extent possible.

3. The Contractor shall make every effort to preclude incurrence of avoidable costs by the Government by ensuring that all applicants and personnel furnished on this contract are eligible, reliable, and of reputable background and sound character. Security screening shall include, but not be limited to, verification of current home address, telephone number, and prior work experience (See Item 8 under D. Documentation Requirements below.), and resolution of delinquent debt related issues that have the potential to disqualify an applicant from consideration for employment on a DEA contract.

4. The Contractor shall ensure that applicants submitted to DEA meet the basic eligibility requirements, such as job skills, certificates if required, residency, and none of the disqualifying factors described below. DEA recognizes that law enforcement records and other information the Contractor is able to obtain regarding an individual's history relative to the disqualifying factors is limited. However, much of this information is requested on Standard Form 85, Questionnaire for Non-Sensitive Positions (Revised September 1995). The Contractor is encouraged to re-interview each applicant based on the answers entered on the SF85.

5. Debt-related issues are the most prevalent derogatory issues found during background investigations and cause delays in the adjudication of security clearances. The Contractor is encouraged to obtain the applicant/employee's credit report and have any issues resolved prior to submitting the security clearance request forms to DEA. DEA currently uses Equifax Credit Reporting Services; however, the Contractor may use the credit reporting agency of its choice. In compliance with the Fair Credit Reporting Act of 1970, as amended (15 U.S.C. 1681, *et seq.*), the following must be used when the Contractor obtains a credit report:

a. A credit report shall be obtained for accounts in the applicant/employee's name only. This will be a "persona report for employment purposes." *Do not obtain a credit report for joint accounts.*

b. The Contractor shall provide a written notice/release to the applicant/employee that a credit report may be used for employment purposes. The applicant/employee shall sign and date the notice/release and provide it to the Contractor before the credit report is obtained by the Contractor. The Contractor is not authorized to obtain a credit report prior to receipt of the signed notice/release. This signed notice/release is required in addition to the form DOJ-555, Disclosure and Authorization Pertaining to Consumer Reports, Pursuant to the Fair Credit Reporting Act. A copy of the signed notice/release shall be submitted to DEA with the DOJ-555.

c. The Contractor shall not take adverse action against the applicant/employee, based in whole or in part upon the credit report, without first providing the applicant/employee a copy of the credit report and a written description of the applicant/employee's rights as described under Section 1681g(c)(3) of Title 15 U.S.C.

d. If a potentially disqualifying debt-related issue surfaces that the applicant/employee omitted from the SF85, Questionnaire for Non-Sensitive Positions, the personnel security request forms should not be submitted to DEA unless the applicant/employee provides strong mitigating information that clearly explains the omission and how the issue will be satisfactorily resolved.

e. Blank forms and additional information regarding credit reports are available at <http://www.dea.gov>; click on Acquisitions & Contracts; and go to Security Forms.

6. The Contractor shall ensure that all security related forms and questionnaires are filled out correctly and completely and are signed, dated, and submitted to the Contracting Officer's Technical Representative or Task Monitor (COTR/TM) in a timely manner. *Personnel security packages with incomplete documentation may be rejected and returned to the contractor without any further actions performed by DEA.*

7. DEA's request for additional information or documents regarding the background inquiries shall be responded to within 30 days unless the COTR/TM provides a written extension. *Failure to submit the requested information or documents in a timely manner may result in the applicant being determined unreliable and unsuitable for employment on a DEA contract.*

8. The monthly Administrative Report shall include the status of the Contractor's applicants seeking DEA security approvals. The report shall contain the current status of all personnel security requests, to include: Dates the packages were submitted to the COTR/TM; dates security approval notifications were received from DEA; the number of approved employees; the number of disapproved applicants; and the number of applicants pending approval. The due date of the report will be established by the COTR/TM upon contract award or the issuance of an order.

B. General Requirements

1. DEA will conduct background inquiries on all of the Contractor's personnel to be assigned to this contract and on those officials of the company, *including the Security Officer and Alternate Security Officer*, who will be directly involved in any aspect of management of the assigned personnel.

2. Contractors shall include the following statement in employment advertisements: *"Applicants selected will be subject to a Government security background investigation and must meet eligibility and suitability requirements."*

3. As a minimum, DEA will query law enforcement agencies' indices and the following record systems:
 - Fingerprint Query by the Federal Bureau of Investigation (FBI)
 - Narcotics and Dangerous Drug Information System (NADDIS)
 - National Crime Information Center (NCIC)
 - National Law Enforcement Telecommunications System (NLETS)
 - Credit Reporting Agencies
4. Only U.S. citizens, by birth or naturalized, shall be permitted to perform services on this contract.
5. All applicants must have resided legally in the United States for at least three (3) years of the last five (5) years, *unless the applicant was:* (The three (3) years do not have to be consecutive.)
 - a U.S. Government employee assigned to a U.S. embassy or U.S. consulate in a foreign country;
 - a U.S. Government Contractor's employee, who is a U.S. citizen assigned to a U.S. embassy, U.S. consulate, or U.S. military installation in a foreign country, and who is not ordinarily a resident of the country.
 - a member of the U.S. armed forces stationed in a foreign country; or
 - a dependent family member of a U.S. Government or U.S. armed forces employee assigned overseas.
6. All personnel assigned to this contract must be approved in writing by the DEA Office of Security Programs for escorted access to DEA facilities and worksites.
7. The Contractor's employee(s) shall not be assigned to perform services for DEA until the Contractor has been notified in writing by the COTR/TM that the individual(s) has been approved by the DEA Office of Security Programs.
8. Applicants whose background inquiries result in a determination of unsuitable or are otherwise determined unfavorable based on derogatory information shall be removed from further consideration for performance under this or *any* DEA contract. DEA reserves the right to refuse the services of and/or terminate the access of any Contractor employee or applicant who is or may be judged a security risk. The COTR/TM will inform the Contractor in writing of any objections concerning specific applicants and personnel, but is not permitted to provide specific information due to the Freedom of Information Act and the Privacy Act (FOIA/PA).
9. A determination by DEA that a person is not suitable to perform work under this contract is not a denial, suspension, or revocation of a previously granted security clearance by another agency, nor shall it be interpreted as a direction or recommendation to the Contractor regarding the suitability of an affected individual for employment outside the scope of DEA.
10. The Contractor shall immediately inform the COTR/TM in writing when an employee or applicant for a DEA contract has transferred to another contract, has resigned, or has been terminated by the Contractor, or any other type of action that constitutes a break in the Contractor-employee relationship. The COTR/TM shall provide such information in writing to the DEA Office of Security Programs.
11. The COTR/TM shall be the Contractor's point of contact for all personnel security communications, inquiries, and issues regarding this contract. All required documents must be submitted by the Contractor to the COTR/TM. The COTR/TM will not communicate directly with the Contractor's employees or applicants regarding personnel security issues unless communicating through the Contractor would violate the FOI/PA.

C. Documentation Requirements

1. A clearance for access to national security information (NSI) is not required nor authorized by this contract. However, a previously conducted background investigation that was favorably adjudicated by the Defense Security Service (DSS) and considered to be current will be accepted and supplemented with criminal record and credit report checks conducted by DEA. *The Contractor's transmittal letter to DEA must indicate the applicant has a security clearance through DSS.*

1.a. Only those forms described below in Items 1.b; 1.c; 1.d; 5; 8; 10; and 11 (16 and 17 if applicable) are required to be submitted to the COTR/TM when the applicant has current national security information clearance through DSS.

1.b. One (1) original of form, Contract Employee's Authorization to Conduct Agency-Specific Record Checks (February 2009). This will be used by DEA to supplement the criminal record checks previously conducted by the DOD/Defense Security Service (DSS).

1.c. One (1) copy of the JPAS Person Summary if the applicant has a CONFIDENTIAL, SECRET or TOP SECRET NSI clearance granted through the DSS. A JPAS Person Summary is considered current as follows and is based on the investigation date. It is **NOT** based on the date the clearance was granted by DSS or the date the JPAS Person Summary was issued to the contractor:

- CONFIDENTIAL – Date of the background investigation or periodic reinvestigation is not more than fifteen (15) years ago.
- SECRET – Date of the background investigation or periodic reinvestigation is not more than ten (10) years ago.
- TOP SECRET – Date of the background investigation or periodic reinvestigation is not more than five (5) years ago.

1.d. A JPAS Person Summary that states an INTERIM clearance will be accepted when the date the INTERIM clearance was granted was not more than one (1) year from the date of submission to DEA. A copy of the final clearance shall be provided to the COTR/TM upon receipt. *The COTR/TM shall forward the final clearance to DEA Headquarters/Personnel Security Section.* (Because access to NSI is not required nor authorized by this contract, the JPAS Person Summary does not have to show the providing Contractor's organizational name as the clearance holder.)

1.e. *Do not submit a JPAS Person Summary that states: Loss of Jurisdiction, Declination, Discontinued, Cancelled, Denied, Revoked, Suspended, or any other terminology which indicates the applicant does not have a current clearance or current clearance eligibility.*

1.f. F86, Questionnaire for National Security Positions; SF85P Questionnaire for Public Trust Positions; SF85P-S, Supplemental Questionnaire for Selected Positions; SF85, Questionnaire for Non-Sensitive Positions; Fingerprint cards; OBD-236, Inquiry Regarding Suitability of Applicant; Loyalty Oath; Foreign National Relatives or Associates Statement; and Verification of U.S. Citizenship forms are **NOT** required when the applicant has a current DSS clearance and JPAS Person Summary is provided.

2. If the applicant has a favorable **Public Trust Suitability Determination** by another U. S. Government agency, provide one (1) copy of that agency's Notice of Suitability Determination. The Notice must indicate the type of background investigation and the date it was completed. The background investigation must have been completed no longer than five (5) years prior to the date it is verified by DEA.

2.a. Fingerprint cards; OBD-236, Inquiry Regarding Suitability of Applicant; Loyalty Oath; Foreign National Relatives or Associates Statement; and Verification of U.S. Citizenship forms are **NOT** required when the applicant has a favorable Public Trust Suitability Determination by another U.S. Government agency. One (1) copy of the SF85, Questionnaire for Non-Sensitive Positions IS required.

3. The forms and documents described in Items 5 through 17 below shall be completed and submitted as instructed for each form and submitted to the COTR/TM. The COTR/TM will provide a supply of blank fingerprint cards to the Contractor. The Contractor shall reproduce the other forms listed below under Section V. SECURITY FORMS as needed. The completed forms will be used by DEA to conduct the background inquiries or to supplement a background investigation previously conducted by the Defense Security Service (DSS) or other U.S. Government agency. **DO NOT SUBMIT FORMS AND DOCUMENTS THAT ARE NOT REQUIRED. DO NOT SUBMIT EXTRA COPIES OF FORMS.**

4. Do not staple or use ACCO fasteners or otherwise bind the forms together. A paper clip or binder clip will suffice. Put each applicant's forms in a separate envelope with the name of the Contractor, contract number, and the applicant's full name and labor category on the front of the envelope. Submit the completed forms to the COTR/TM at the address provided elsewhere in this contract via hand delivery, FedEx, UPS, Express Mail, Registered Mail, Delivery Confirmation, etc., to have a record of delivery and receipt.

5. One (1) original and separate transmittal letter on official company stationery for each applicant which indicates the contract/order/agreement number, the applicant's full name, social security number, and labor category.

6. One (1) original of form SF85, entitled Questionnaire for Non-Sensitive Positions (Revised September 1995), with original signatures in black ink on Page 5 and the Authorization for Release of Medical Information. The SF85P may be typed or legibly printed by hand. **DO NOT SUBMIT THE INSTRUCTION PAGES OF THE SF85.** (An SF85 is not required if the applicant possesses a current **CONFIDENTIAL, SECRET, or TOP SECRET** security clearance—or an interim clearance—granted by DSS or another U. S. Government agency. *Submit the Contract Employee's Authorization to Conduct Agency-Specific Record Checks form instead.*)

6.a. All white-outs, erasures, or other types of corrections or changes on the SF85 must be initialed by the applicant.

6.b. The date of the applicant's signature on the SF85 must not be more than 30 days old when submitted to the COTR/TM. Pen and ink changes, with the applicant's initials, or supplemental information on a plain piece of paper with the applicant's name, social security number, and signature are acceptable methods to update and correct the SF85. Page 5 and the Authorization for Release of Medical Information must be signed again with a current date. If there are no changes since the date the SF85 was signed originally, the applicant may re-sign and re-date the SF85 with the notation, "No changes."

7. Three (3) originals of Federal Bureau of Investigation Form FD-258, entitled Applicant (fingerprint card). *The fingerprint cards MUST be blue text on white card stock.* All three fingerprint cards must have original signatures in black or dark blue ink. The fingerprints may be taken by DEA personnel, the Contractor's Security Officer, at a police department or sheriff's office, a local FBI office, or a commercial facility. *DEA will not reimburse fees charged by organizations to take the fingerprints.* The Contractor shall ensure that the applicant's fingerprint cards are authentic, legible, and complete to avoid processing delays. *(Fingerprint cards are not required if the applicant possesses a current CONFIDENTIAL, SECRET, or TOP SECRET security clearance—or an interim clearance—granted by DSS or a favorable Public Trust Suitability Determination by another U. S. Government agency.)* DO NOT BEND, FOLD, HOLE PUNCH, STAPLE, OR OTHERWISE MUTILATE THE FINGERPRINT CARDS.

8. One (1) original of the 3-page Drug Use Statement. The witness may be the Contractor's Security Officer, personnel officer, project officer, project manager, vice president, or president or a notary public as long as the witness occupies a position of responsibility and is not a relative of the applicant. *The witness' name and title must be printed under the signature line.*

9. One (1) original of each form OBD-236, Inquiry Regarding Suitability of Applicant (SEPT. 84), prepared as applicable to 9.a. or 9.b. below. S. Government agency.)*

9.a. Each employer for the past five (5) years, including the current employer, shall be contacted by telephone and asked all eight (8) questions—and only those questions—on the OBD-236. Verified dates of employment will be accepted if an employer's corporate policy does not permit providing additional information. If an employer cannot be contacted, efforts to make contact shall be noted on the OBD-236.

9.b. If the applicant does not have an employment history, three (3) associates/references shall be contacted by telephone and asked questions 1 through 5—and only those questions—on the OBD-236. The references must have known the applicant for at least two (2) years and may be co-workers, personal references, or selected from the names provided in Questions 8 and 9 of the SF85.

13. *If applicable, one (1) original of Foreign National Relatives or Associates Statement:* Only if the applicant has *foreign national relatives or associates*, regardless of whether the foreign national relatives or associates reside in the United States or a foreign country. Do not include foreign-born relatives or associates who are United States citizens. Once a foreign-born individual acquires United States citizenship, the individual is no longer a "foreign national."

14. *If applicable, one (1) copy of the U.S. Citizenship Certificate of Naturalization or U. S. Passport.* This may be either a current or previous U. S. Passport. NOTE: The National Industrial Security Program Operating Manual, DOD Directive 5520.22-M, Section 2-206, authorizes the Contractor to require each applicant who claims U.S. citizenship to produce evidence of citizenship. However, some naturalized U.S. citizens may be reluctant to photocopy the Certificate of Naturalization or U. S. Passport due to the prohibition printed on the front of the certificate. In those cases, an official of the Contractor company or a DEA employee may personally view the Certificate of Naturalization or U. S. Passport and sign a statement verifying that the individual is a U.S. citizen. (A sample statement is provided under Security Forms.)

E. Disqualifying Factors

Issues may surface concerning security approval or retention of a Contractor's applicant or employee that are not addressed in this contract. If there is any doubt regarding the suitability of an applicant or employee, the individual will not be approved for assignment to this or any DEA contract.

1. **Suitability** is a requirement for employment on a DEA contract as it concerns an individual's conduct, character, reputation, reliability, trustworthiness, loyalty to the United States, and fitness as related to the efficiency of the service. To be suitable, an individual's assignment or continued assignment to a DEA contract must be reasonably expected to promote the efficiency of the DEA's service to the public. A reasonable expectation that an individual's assignment to a DEA contract will not promote the efficiency of the service is established when an adverse connection, or nexus, is shown between the conduct in question and the performance of the individual or DEA accomplishing its mission.

2. Any one or more of the following factors—as disclosed on the SF85P+SF85P-S, in a personal interview with the applicant, or as part of the background investigation—are grounds for **mandatory disqualification** for assignment on a DEA contract and from further consideration for any type of assignment or employment involving DEA. The Contractor is responsible for interviewing each applicant and reviewing the completed security forms using the following criteria. If relevant information obtained is determined to be a **mandatory disqualification factor**, a request for security approval should not be submitted to DEA until the disqualifying factor is resolved favorably.

a. Criminal Record

- (1) Conviction resulting from a felony charge(s), regardless of when the conviction occurred.
- (2) Multiple misdemeanor convictions, regardless of when the convictions occurred.

- (3) Pending indictments or pending criminal charges, regardless of whether the charge(s) is a felony or misdemeanor.
- (4) Currently serving a period of probation resulting from a criminal conviction, regardless of whether the conviction is for a felony or a misdemeanor charge.

b. Illegal Drug Use

- (1) DEA's mission is to enforce the Controlled Substances Act, 21 USC 801 *et seq.* The illegal use of drugs by any of its personnel, including contractor personnel, may adversely affect the performance of its mission, create a danger to the public safety, expose the agency to civil liability, jeopardize criminal investigations and prosecutions, lead to corruption, or undermine public confidence. Because of its law enforcement responsibilities and the sensitive nature of its work, DEA has a compelling obligation to ensure a workplace that is free of illegal drugs.
- (2) Applicants who are found, through investigation or personal admission, to have experimented with or used narcotics or dangerous drugs, except those medically prescribed, possibly may be disqualified for employment on a DEA contract. Disclosed drug use will be decided on a case-by-case basis. *Experimental use or use of any narcotic or dangerous drug, including marijuana, except medically prescribed, after employment on a DEA contract is cause for removal.*

c. False Statements

- (1) A false statement is the deliberate omission, concealment, or falsification of relevant and material facts from any personnel security questionnaire, personal history statement, or similar form or interview used to conduct investigations, determine employment qualifications, award benefits or status, such as:
 - (2) Altering the condition of discharge on military documents.
 - (3) Altering college transcripts.
 - (4) Falsely completing or failure to disclose information on the SF-86 or any other documents used in the background investigation process.
 - (5) Conflicting statements of drug use, either on the SF-86, on the Drug Use Statement, or during the background investigation.

d. Debt Related Issues

- (1) The terms indebtedness, delinquent debt, and debt related issues mean lawful financial obligations that are just debts that are past due. Debt related issues raise of number of suitability and security concerns that an individual must satisfactorily resolve before an affirmative adjudicative decision can be made.
- (2) Each applicant's indebtedness will be reviewed on an individual basis.
- (3) Court imposed judgments, defaulted student loans, and other delinquent financial obligations imposed by law (e.g., child support payments, Federal, state, or local taxes) are matters of serious concern. *The mandatory disqualification policy applies to those applicants who cannot satisfactorily document their efforts to repay student loans or to pay child support, taxes, or judgments.*

e. Allegiance to the United States

- (1) Evidence of activities developed during the background investigation that would bring the applicant's allegiance to the United States into question, such as:
- (2) Involvement in any act of sabotage, espionage, treason, terrorism, sedition, or other act whose aim is to overthrow the Government of the United States or alter the form of government by unconstitutional means.
- (3) Foreign influence or preference.

f. Personal Conduct

- (1) Evidence of any of the following activities developed during the background investigation relative to the applicant's conduct and integrity.
- (2) Reliable, unfavorable information provided by associates, employers, coworkers, neighbors, and other acquaintances.
- (3) Infamous, dishonest, immoral, or notoriously disgraceful conduct, habitual use of intoxicants to excess, drug addiction, or sexual perversion. *Sexual behavior is a concern if it involves a criminal offense, indicates a personality disorder or emotional disorder, subjects the applicant to coercion, exploitation, or duress, or reflects lack of judgment or discretion. Sexual orientation or preference may not be used as a basis for, or a disqualifying factor in, determining a person's suitability.*
- (4) Illness, including any mental condition, the nature of which in the opinion of competent medical authority may cause significant defect in the judgment or reliability of the employee, with due regard to the transient or continuing effect of the illness and the medical findings in such case.
- (5) Any facts which furnish reason to believe that the applicant may be subjected to coercion, influence, or pressure which may cause him/her to act contrary to the best interest of DEA.
- (6) Association with persons involved in criminal activity.
- (7) Current or recent history of continuing alcohol or prescription abuse.
- (8) Misuse of information technology systems.

F. Personnel Security Requirements

1. When the Contractor's employee reports for duty on a DEA contract, the COTR/TM will provide a DEA Form 487 entitled, Reporting Responsibilities/NonDisclosure Agreement, to the employee and obtain the employee's signature prior to the commencement of services: *This form must be witnessed and signed by a DEA employee.* (See Item 2 under G. Information Security Requirements below.)

2. The Contractor shall notify the COTR/TM in writing of the following, prior to occurrence or immediately thereafter, when a Contractor employee has a change in marital status. The COTR/TM will notify ISR.

- a. Married, divorced, or widowed.

- c. Full name of current or former spouse (if notifying of a marriage, include wife's maiden name and any former married names(s)).
- d. New spouse's social security number, date of birth, and place of birth (city, state, and country).
- e. New spouse's citizenship (include as applicable: alien registration number, date and place of entry into the United States, date and place of naturalization including courthouse and complete address, and citizenship certificate number).

3. A mandatory periodic reinvestigation will be conducted once every five (5) years if the previous background investigation was based on the SF85P and SF85PS, Questionnaires for Public Trust Positions. A mandatory periodic reinvestigation will be conducted once every fifteen (15) years if the previous background investigation was based on the SF86, Questionnaire for National Security Positions.

Additionally, a reinvestigation will be required for individuals who have not been assigned to a DEA contract for a period of one (1) or more years. The same suitability and security standards that are required for new applicants apply to reinvestigations.

4. If the Contractor is notified that an employee's access to DEA has been revoked or suspended, the Contractor must remove the employee immediately from further performance of services for DEA.

G. Information Security Requirements

1. Work performed under this contract requires access to one or more of the following categories of protected information: DEA SENSITIVE, Sensitive But Unclassified, Law Enforcement Sensitive, or the Freedom of Information Act and Privacy Act. The contractor and its personnel shall comply with all Federal, Department of Justice, and DEA regulations, policies, and guidelines regarding information security.

3. All source materials, information, and resultant work products are the property of DEA and shall not be used by the contractor for any other purpose. All data received by the Contractor and its employees shall be handled, stored, transmitted, reproduced, and destroyed in accordance with DEA procedures. 7. Except as specifically authorized by the COTR/TM, the Contractor's personnel are prohibited from reproducing DEA source media or written products.

9. The contractor and its employees shall ensure that information technology (IT) systems are appropriately safeguarded. In the event that any such action is taken, neither the Contractor nor its employees are entitled to be informed of the basis for the action. Such notice is within the sole discretion of DEA. IV. ADMINISTRATIVE INQUIRIES

A. The Contractor, its officers, and its employees assigned to, or otherwise participating in the performance of this contract, shall comply with the following ADMINISTRATIVE INQUIRIES provision. B. The Contractor shall obtain, and make available upon request by the Contracting Officer, a certification, signed by each contract employee participating in the performance of this contract, attesting to the fact that they have been apprised of and will comply with the ADMINISTRATIVE INQUIRIES provision as stated herein.

1. The Drug Enforcement Administration (DEA) is a Federal law enforcement agency charged with investigating and prosecuting persons violating the drug laws of the United States. To ensure the public has the highest degree of confidence in the integrity, operations and activities of the DEA, it is essential that the personnel assigned to or employed by Contractors that support DEA conduct themselves appropriately and in accordance with applicable law and regulation.

2. The Contractor and its personnel agree that an inspector or investigator of the DEA, Department of Justice, or any other duly authorized organization or entity shall have the right to conduct any and all inquiries or investigations deemed appropriate by such organizations or entities in response to information concerning, or allegations about, improper conduct or inappropriate actions, whether such conduct is criminal or administrative in nature.

4. Contract personnel will retain their constitutional protection against compelled self-incrimination at all times. However, contract employees are required to answer questions under the following conditions: (1) if the subject being questioned is informed that the inquiry being conducted will not subject them to criminal prosecution, and (2) that any statements made by the subject cannot be used against the subject in any criminal prosecution (except in cases where the subject is criminally prosecuted for knowingly and willfully providing false information to investigating personnel). When these conditions are met, the subject is required to respond to questioning in accordance with this provision.

5. The Contractor and its personnel agree that there is no expectation of privacy in any DEA assigned or controlled work space, including offices, workstations, closets, or storage facilities, nor is there any expectation of privacy in any equipment or other asset or fixture including but not limited to desks, safes, file cabinets or containers of any kind, computers and any storage media, or any such spaces or equipment provided by the Contractor or its personnel for use in DEA facilities or premises. The Contractor's personnel shall be placed on notice that any space or equipment may be searched with or without notice to the Contractor and its personnel.

In addition, DEA reserves the right to take any and all relief appropriate under the circumstances. In the event that any such action is taken, neither the Contractor nor its personnel are entitled to be informed of the basis for the action. Such notice is within the sole discretion of DEA.
